IIHF Tryout Regulations: Written permission may be granted from a player's former member national association permitting that player to participate in exhibition games or tryout period during a specified time period not to exceed 15 days from the date of the tryout request. During this time period the player is under the jurisdiction of the member national association in which he is playing and is subject to the disciplinary procedure of the IIHF.

To submit a tryout request for an international player, complete the above portion of this form and submit to USA Hockey International Department for processing via fax 719-538-1160 or email barbarab@usahockey.org
